Use of Ramps: Clarification

Background
The appropriate place to individually examine dogs during breed judging is designated by each parent club and AKC does not pre-empt their authority in this regard. The current list of table and ramp breeds may be found on the AKC website.

Table Breeds
Designated table breeds must be examined on an examination table. If re-examination is necessary for a table breed, **they must be placed back on the table**. For re-examination, a maximum of two dogs may be placed on the table at the same time. No other breeds may be examined or otherwise judged on an examination table.

Ramp Breeds
A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. Breeds designated as ramp optional may be examined on the ground (table if applicable) or on a ramp during breed, group and Best in Show judging at the sole discretion of the judge and not the exhibitor. The entire entry in that breed is to be examined on the ground (table if applicable) or on a ramp. Breeds designated as ramp mandatory must be judged on the ramp through all levels of conformation competition. The requirement to place a table breed back on the table for re-examination **does not apply to ramp optional or ramp mandatory breeds**. **The ramp will be available at the discretion of the judge for all ramp optional breeds through all levels of competition including group and Best in Show judging.**

All Other Breeds
Breeds not designated as either table or ramp breeds may only be examined on the ground.
Exception: Miniature Bull Terriers may be examined on the ground, on a table or on a ramp.

Emergencies
In emergency situations, with the approval of the Show Chair, breeds customarily examined on the ground may be examined on a ramp, not on a table. An emergency is defined as a temporary condition that arose immediately prior to or at a dog show. Convalescence from a medical procedure, illness and recuperation from injuries are examples of conditions that are not emergencies. The emergency use of a ramp may be allowed on a day and may be extended to include a cluster as well as judging either a group and/or Best in Show.

When a ramp is used for non-ramp breeds in an emergency, the superintendent is to post appropriate signs at the ring and at the superintendent's office that must include notice that exhibitors are entitled to a refund of their entry fee. Field Staff is directed to report all instances of the emergency use of a ramp to Events and Judging Operations. If there is need thereafter, the following weekend for example, as in the past, formal accommodation must be requested from Judging Operations.

AKC complies with the Americans with Disabilities Act and wants to provide to all the opportunity to participate in its events.

However, according to the "Fitness to Judge Policy" as published in the *Rules, Policies and Guidelines for Conformation Dog Show Judges*, approved May 2007, "It is essential that a dog show judge be physically capable of performing the functions necessary to properly judge dogs." A judge must have:

- The flexibility to examine all parts of a dog's anatomy where each breed is presented (i.e., on the ground, on a ramp or on a table).
- The capability of measuring or weighing a dog and examining on the ground, table or ramp where applicable.
